Programming

Proficient in Java, C++, and learning SQL, HTML, and CSS

ACADEMIC EXPERIENCE

Personal Coding Projects

Wordle

Dec 2023 - Dec 2023

- Remade the popular game "Wordle" within a 3-week span solely in Java with implemented visual graphics and used algorithms to minimize the run time of other iterations
- Added a customer support section for feedback and bug-related issues which improved upon user experience at least 4 times

Casino

June 2024 – Aug 2024

- Used Java to create an interactive, online casino environment that consists of popular casino games such as Blackjack & Texas Hold 'Em
- Formed a play testing group of 8 people to help improve user experience within the casino

WORK EXPERIENCE

Resident Advisor

Aug 2025 – Current

University of Houston Student Housing & Residential Life

- Communicated, managed, and empowered 30+ residents who are residing in the dorms through the Model: Knowing, Connecting, and Empowering (KCE)
- Worked with a 30+ person team of fellow Resident Advisors to assure that resident experiences are positive in their current dorms
- Hosted weekly events that helped increase morale and fostered a creative space for residents to unwind from the stresses of college

Project Assistant

Sept 2024 – May 2025

UH Bauer College of Business

- Coordinated communication and logistical support for 40+ faculty members across departments.
- Delivered time-sensitive materials and maintained organized mail retrieval processes for professors.
- Monitored and managed inventory of educational and office supplies, ensuring timely restocking and availability.

Team Member

May 2022 – Dec 2022

Spring Creek BBQ

- Provided quality experience for 75+ patrons by communicating menu options, completing To-Go orders, and accurately entering data into point-of-sale systems
- Coordinated with coworkers to efficiently grill multiple menu items, complete special orders, and distribute meals during high-volume times
- Maintained food prep and dining areas to comply with industry standards of cleanliness by referring to the company handbook and following directions from my supervisors

LEADERSHIP EXPERIENCE

NHS Charter Secretary

Oct 2023 – May 2024

National Honor Society

- Kept accurate attendance records for all student council elective activities, mandatory events, and elections
- Tracked and maintained accurate membership records of grades for over 50 students in compliance with U.I.L. rules on a monthly basis
